## A DENIM VISION OF B&C

### **B&C DNM – a denim vision of B&C**

Denim is everywhere. Denim is the new urban uniform and B&C is proud to offer you this outstanding business opportunity. Through this collection, we offer a way of thinking, a concept, and an undying passion fuelled by the denim culture and the characteristics of the fabric itself. We spare no details in creating this innovative collection. Fabrics, styles and details are carefully chosen and executed to bring 28 exclusive DNM styles to the marketplace. We're eager to introduce you to a bright new world. Discover the unique 4 B&C DNM jackets styles on the following pages.

**B&C Collection – Be inspired**

# ESSENTIAL RANGE ISI

If you are seeking for polyvalence, colour impact and a great value for money, the Essential range is for you. It encompasses 14 qualitative styles focused on timeless designs, simplicity and a wide shade choice that will enable you to find the support you need for any usage and season.

# ESSENTIAL & EXPERT RANGE

Another way to help you find the right style suiting your needs!

In addition to the traditional classification based on the jacket's degree of weather protection, we propose you a complementary classification in two ranges based on your actions qualitative objectives and your specific needs - the Essential range and the Expert range.

Through the pages, you will easily identify an Essential style with the symbol ISI and an Expert style thanks to the symbol X.

# EXPERT RANGE X

If you are seeking for an extra level of sophistication, select a style on the Expert range. All the styles have been carefully designed in every detail to be perfectly adapted to any specific need with a high attention on quality and ergonomics. For every season, whether you look for a fashionable urban style and/or a high performance model, you will for sure find a style that will be perfectly adapted to your needs.

# B&C LIGHT PACK CONCEPT

*When weight and space are critical*

People are constantly in motion, going from outside to inside and from inside to outside. When going out, the weather can change quickly and dramatically, exposing you alone to the elements. To be protected in every situation, weight and space are often an issue.

## B&C LIGHT PACK CONCEPT

PROTECTION + LIGHT + COMPACT =  
MINIMUM VITAL SPACE FOR MAXIMUM  
PROTECTION AGAINST RAIN AND WIND

## B&C LIGHT PACK CONCEPT STYLES

### B&C COOLSTAR DUO

*Minimum vital space, maximum warmth.*

DUO  
CONCEPT

Created to be a "Light Pack Concept" style, the engineered fleeces **B&C Coolstar /men & B&C Coolstar /women** feature all the advantages: **high insulation, light, compact and packable.**

This Duo is made of **ultra light high performance** micro-fabric to feel warm everywhere and in style. The ergonomic body and sleeves shapes allow real freedom of movement. In terms of look, this full-zip fleece duo permits versatile coordination.

You have plenty of styles options weather you go for the layered look, or wear them as a simple outer jacket.

For more information see p.50

### B&C DYNAMIC

*Minimal weight, minimal space.*

B&C SMART  
PACK SYSTEM

To deal comfortably with weather versatility, you need a light, compact and packable solution. You need the **B&C Dynamic**. Super lightweight, wind-resitant, water-repellent, packable, made of noiseless fabric, media-player compatible and breathable, this windbreaker jacket fits easily into any bag.

**You can have it when you need it and can pack it in its own pocket when you don't.**

For more information see p.33

### B&C X-LITE SOFTSHELL DUO

*Superior fabric and advanced technology.*

X  
B&C  
X-LITE

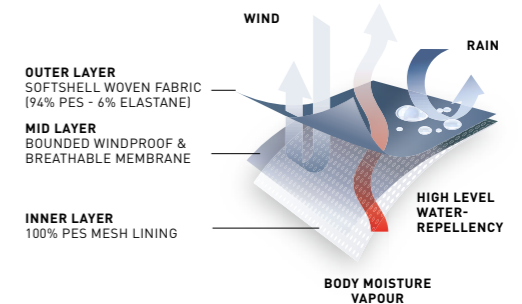

DUO  
CONCEPT

Engineered for superior protection against wind and rain (critical taped seams), the B&C X-lite Softshell Jacket allows you to comfortably face the weather. Its ergonomic cut, helped by 4-way stretch structure, actively supports freedom of movement while the X-lite fabric lightweight and breathability.

**The B&C X-lite Softshell is light, packs small, and keeps you dry.** Ideal for urban active life where weight and space are crucial.

For more information see p.15

# JACKET COLLECTION

## CLARITY / SIMPLICITY / PERFECTION

If you're seeking warmth and protection from the wind and rain, but also style, our amazing choice of fabrics and designs offer you jackets you can wear whatever the weather and on any occasion.

### CLARITY

B&C's Jacket collection shows clearly-defined market segmentation, based on the jacket's degree of weather protection. You'll be able to choose your model according to weather conditions (the type of protection you need, likewise the choice of model).

This collection offers the following model types: lightweight jackets without lining, lightweight jackets with lining, middle weight jackets, heavy weight jackets (parkas and down jackets), technical jackets and bodywarmers.

### SIMPLICITY

B&C's jacket collection comprises "must-haves" to meet the demands of the promotional market in each segment. The greater part of our range is based on the B&C Duo Concept, which offers a different version of any given model, one for women and one for men.

### PERFECTION

Perfection in terms of the quality and excellence of the fabrics along with the passion for design and meticulous attention to the smallest detail. Needless to say, B&C's jacket collection also meets the particular demands of the market in terms of personalisation.

Take a look at all the B&C jacket collection to realise the wide range of activities in which our products excel, and to find out more about our creations and novel garments.

EXPERT STYLES

# SUPERIOR FABRICS AND ADVANCED TECHNOLOGY

*The most meticulous  
attention to the smallest  
details*

Softshell material combines weather protection and breathability.

The B&C Softshell line uses cutting-edge technology to offer maximum comfort.

2 categories of softshells allow you to negotiate with uncertain weather: the B&C X-Lite Softshells and the B&C Hooded Softshells.

## THE B&C HOODED SOFTSHELL LINE

ALWAYS A STEP AHEAD

B&C Hooded Softshell line uses yarn, fibre and cutting-edge technology for maximum comfort, whatever the weather. Thanks to the materials and designs used, B&C's Hooded Softshell line enriches the promotional clothing market with jackets of excellent quality, since the product's high quality ensures impressive **durability, performance** and **comfort**, even when the weather is at its worst. Moreover, it is fitted with an **adjustable hood**, allowing total freedom of movement and full peripheral vision.

B&C HOODED SOFTSHELL DUO, B&C HOODED SOFTSHELL /KIDS, B&C HOODED SOFTSHELL GILET DUO (SOFTSHELL BODYWARMER)

## THE B&C X-LITE SOFTSHELL DUO

Highly waterproof, extremely breathable, windproof and with high levels of water-repellency, these are the key features of this softshell jacket, that also offers you a light pack protection with the exclusive **B&C Light Pack Concept** (see p.10).

X-Lite Softshell 3-layer fabric consists of outer and inner fabric with a bounded membrane between them. The membrane blocks wind and whisks body moisture vapour away to the outer layer where it evaporates quickly regulating body temperature.

## B&C DYNAMIC

# MINIMAL WEIGHT, MINIMAL SPACE

To deal comfortably with weather versatility, you need a light, compact and packable solution. You need the **B&C Dynamic**.

Super lightweight, wind-resistant, water-repellent, packable, made of noiseless fabric, media-player compatible and breathable, this windbreaker jacket fits easily into any bag.

You can have it when you need it and can pack it in its own pocket when you don't.

### B&C SMART PACK SYSTEM

The B&C SMART PACK system is a technology that combines properties allowing the product to have maximum insulation while still being ergonomic for a minimum weight. The compact design contributes to a packable solution that takes a minimum space.

MEDIUM FIT, FEMININE CUT

DUO  
BLACK SMOKE

The characteristics of the treatments make each garment original and unique.  
Variations should be considered as a sign of quality.

Normal fashion rules are blurred with this sophisticated DUO. There's an unlikely encounter between tailoring references and heavy Single Jersey, it has unusual fastening, a surprising heavy metallic zip, sewn eyelets and a sartorial trash raw edge lapel.
